**MAY 2017**  
**HOT PRICES**

### **JOHNSENS GLASS CLEANER CASE \$15.19**

Johnsens Glass Cleaner cuts through the most stubborn residue. Great for all cleaning jobs. Safe for tinted windows, contains no ammonia.

### **DIESEL EXHAUST FLUID CASE \$11.89**

DEF is the key operating fluid for the selective catalytic reduction process, which is used by most medium and heavy duty engine builders to stay in compliance with environmental regulations. Providing fuel economy and preserves air quality. Contains low levels of heavy metals, phosphates and calcium.

### **DRIVERONE™ SYNTHETIC 75W90 GL-5 KEG \$275.00**

DriverOne™ Synthetic 75W90 GL-5 is a Synthetic base oil product coupled with a robust additive system and an improved viscosity modifier. It provides a high viscosity index, low pour-point, reduced friction, fuel savings, better low temperature start – up protection and longer life than conventional gear oils.

### **BRUSH ON ELECTRICAL TAPE 4OZ BOTTLE \$4.85**

Insulate and splice electrical wires with Brush On Electrical Tape. This tape provides a waterproof seal and is formulated to resist unraveling and deteriorating like traditional electrical tape. Featuring a fast drying formula.

A FAMILY RUN FUEL & LUBRICANT DISTRIBUTOR THAT IS ONE OF THE  
**LARGEST IN THE GREATER OHIO AREA.**
